People of MI v Robert Allen James

Docket No. 285905

LC No. 2006-400933-FH

Pat M. Donofrio
Presiding Judge

E. Thomas Fitzgerald

Henry William Saad
Judges

The Court orders that the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.

While the Court misarticulated the standard of proof, the record demonstrates the trial court found guilt by the correct standard, a preponderance of the evidence.
